

# Woodchurch Annual Gala, December 10<sup>th</sup> 2016 – RESULTS

Key: C = Club Challenge, P = Platinum, G = Gold, S = Silver, B = Bronze  
Badges can be ordered at Saturday front desk

A number of the times below appear to be exactly the same. This occurs when there is a close finish in a manually timed race, as stopwatch reaction times can vary, the place judges and referee have the final say about position and the times are then adjusted to match the finish. This is done by adding the times together and dividing by the number of swimmers involved. We have included times for some swimmers, even though disqualified, to give an indication of their speed.
